## Good service for telephone party liners..

Party-line service is *good* service when those on the line co-operate to make it so. Here are some of the things you can do to get the greatest value from your party line:

- 1—When you have several calls to make, allow a little time between them. That gives others on the line an opportunity to make or receive calls.
- 2—If the line is in use when you try to call, hang up quietly. Wait awhile before trying again.
- 3—If you have children, teach them party-line courtesy, too.

Your courtesy and consideration will encourage others on the line to follow your good example. When everyone is trying to co-operate, everyone has better service.

## **INDIANA STATE LAW CONCERNING USE OF PARTY LINES IN CASES OF EMERGENCY**

A statute enacted by the 1955 Indiana Legislature makes it unlawful to misuse party line telephone service in cases of emergency. An emergency is defined in the law as "a situation in which property or human life is in jeopardy and the prompt summoning of aid is essential.

The law, in part, reads as follows:

Section 2. It shall be unlawful for any person using a telephone on a party-line to refuse to yield such party-line, when requested to do so, to any person who wishes to place an emergency call from a telephone on such party-line. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.

Section 3. It shall be unlawful for any person to obtain the use of a telephone on a party-line by falsely alleging the existence of an emergency. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.

## **RULES FOR FALMOUTH LINES RING OFF WHEN THROUGH TALKING**

**You know your ring; answer it. LET OTHER RINGS ALONE.**

**Please be patient with Central. They are busy much of the time.  
A wait of ten seconds may seem like ten minutes.**

This Company wishes to give good service to all, but do not expect a \$50.00 service at the present rate.

Long distance calls have the right-of-way over local conversations. This is for your good, as well as for the good of others.

Always ring off, whether along the line or through Central. This is just as important to the operator as your ring is to you.

**CALL FOR NUMBER, NOT NAME, of PARTY YOU WISH.**

No calls after 9 P. M. only for Doctor, Veterinary or Emergency or Long Distance — By order of the Board of Directors.

Hang up your receiver long end down.

When talking keep your mouth within one inch of the transmitter, and talk in an ordinary tone.

Subscribers will be held responsible for all toll charges for messages sent from their telephones.

During a severe electrical storm there is danger in Ringing your Telephone.

To facilitate operation and improve the service, please observe the following rule: In giving an order to the operator, use numerals only, thus: 22-23 should be given 22-23 Twenty Two (Dash) Twenty Three, 40-12 Forty (Dash) Twelve, 1-3 One (Dash) Three.

Persons other than subscribers desiring to use the telephone on private business must go to the Central office, unless owner of the phone stands good for the toll or other fee.

If your telephone does not operate satisfactorily, notify the manager and he will have the proper person look after the disorder.

The business hours of this company will be: Week days 5 a. m. to 9 p. m.

Sunday 6 a. m. to 9 p. m. Please confine all your business not of an important nature, to the above hours - important calls will be answered at any time day or night.

You will not be called more than three times, so answer promptly.

Falmouth patrons are granted free service to Raleigh.

Dues are due January 1, April 1, July 1 and October 1.

***—Be a good party line neighbor—use your telephone as you would like others to use the service.***

***—Be courteous.***

***—Should you find the line in use, be patient, replace your hand unit gently and try later.***

***—When your call is urgent, and the line is busy, politely explain the circumstances to the person using the line.***

***—If you have a number of people to contact allow a few minutes between calls to permit others to use the line.***

***—Keep your conversations short—under five minutes—if possible.***

***—Be sure that your hand unit is replaced after each call.***

***—Frequently remind your children about these courtesies, too.***

***Courteous, neighborly party line use will mean  
Better Service.***
